Welcome from the Editor

Welcome to the autumn 2022 edition of the *Golden Retriever Club of Scotland* magazine and I hope you enjoy reading the various articles we have included.

We were all deeply saddened to hear of the passing of our Vice-Chairman, she will be sorely missed by everyone who knew her and I know she will be a great loss to our committee.

Although Coronavirus hasn't gone away, most of the Covid restrictions in Scotland have been lifted and your committee has been able to revert to holding our meetings in person to continue to plan and arrange events. We were delighted to hold our Championship Show in April and were equally delighted to be back in the main hall at Bells Sports Centre in Perth. We held our Open Show in June which saw us back at Menstrie, and thankfully the weather was good to us. Details of both shows you will find later in the magazine.

Our next open show will be held on Saturday 12th November and are looking forward to meeting all who attend.

We are excited that our plans are progressing for the Guisachan Gathering in July 2023 - the tickets for the Afternoon Tea and the Dinner Dance have already gone on sale.

We would like to extend our thanks to those who contribute to the magazine as without these contributions there would be no magazine. If you have an article, recipe or story you would like included in our next magazine, please email me at the address below.

AGM 2022

The Club held it's *AGM* on Saturday 16th April at Stoneyburn Community Education Centre near Bathgate and the committee were delighted with the members attendance which was up on previous years.

Please find below the annual report for last year.

Annual report 2021

Good morning, Mr. Chairman, ladies and gentlemen, I have pleasure in presenting the annual report for 2021.

Since we last met, we have all encountered the worldwide Covid pandemic, 2021 has been a challenging year for the committee, change and adaptability has been required as we emerged from the Covid pandemic.

We were fortunate to be able to hold two open shows and a championship show, although we had to change venues to accommodate the Covid stipulations for gatherings.

Our June Open Show (held in July) was held at the Dumyat Community Centre, Menstrie, as unfortunately our usual venue at Alva was unavailable due to it being used as a vaccination centre. Mrs Irene Glen was the judge, BIS was Mrs P Trotters Barcia Bella Donna.

With changing Covid guidelines, we rescheduled our championship show to October, when we would normally have our 2nd open show, our judges for the day were Mrs L Maynard (Chinnordale) dogs and Mrs O Murray (Rathcloon) bitches. Best in Show was Mrs M Rodgers, Rojillair Evening Magic of Odarla JW. A celebratory cake was donated by Mrs Lynda Riddle served with bubbles to celebrate the 75th anniversary of the club. Gifts for the first prize winners were donated by the club and every exhibitor received a free soft toy for their dog.

We re-scheduled our October open show to December, again a different venue, our judge on the day was Mrs Elaine Brady (Larena). Best in show was Ms K & Miss K Kelly's Ramchaine You Spin Me Right Round in Zenevieva (IKC).

The Kennel Club continued to issue societies changing regulations and requirements to running dog shows to meet with the changing Covid guidelines, made more difficult as the Scottish government guidelines and the English guidelines (which the KC follow) made for a challenging time, including administrative *AGM*'s, to time scales for licence requirements, to changing the requirements of dog show judges and the introduction of the new Judges Education Programme (JEP), which superseded the Judges

AGM 2022

Competency Framework.

To meet the requirements of the JEP, delivering a Breed Appreciation Day was essential within the KC guidelines which must be run every 2 years to meet the KC requirements. The GRCS delivered by Zoom a Breed Appreciation Day, to KC standards, and 29 of the 31 participants gained their JEP level two accreditation, which allows them to judge within the new JEP framework.

New Judging levels will eventually replace the C & B lists, which our judges list coordinator has to ensure the lists now meets the new KC judge's requirements.

It was the GRCS's turn to host the annual Scottish Interclub Working Test, which was organised by our Field Trial Secretary, this year's winners were the Highland Gundog Club, followed by the Forth & Clyde team.

Our field trial secretary also delivered a Working Test, an AV Novice Trial, a Breed Open Stake and an AV Open Trial.

This year there was also the opportunity to participate in a field trial training class organised by our Field Trial Secretary Ms Lin Mitchell and delivered by Sally Richardson in May 2021.

Our rescue co-ordinator, Ms Carron Jenkins, reported successfully rehoming a number of dogs in the last year. Social media platform is having an impact on the rehoming of dogs.

Our Breed Council representatives have attended breed council meetings by zoom. Our Breed Health representative has steered us through breed health matters.

Our New Magazine editor Fiona Walker has delivered two magazines, this is a difficult task. However, the magazines have been full of club news, photographs, articles and activities.

As I close this report, I would like to extend thanks to all who have attended this AGM and your continued support of the Club.

I ask you to accept this the Annual report 2021.

Carol Henry

Rescue Update

Times are still slow with rescue with very few dogs coming through and many people wanting to rescue. With our waiting list standing around 90 people, it's a long wait. We have waited for the Covid pups coming in but nothing to report on this fortunately.

When people contact us, they are looking for a rescue pup or a dog with no faults. This isn't always the case with rescue. Normally they do come in with faults, some can be managed and they live in a happy home with experienced handlers.

One gentleman rehomed a bitch with guarding issues a few years past. He called me the other day, looking for a friend for his dog as she was lonely. Again, a time factor until we get something in.

We did get a young male in through rescue recently. He was at the stage of telling the owner how to handle situations and she couldn't cope. He found a home with someone who has been waiting for a long time. Perfect. Acres of land up north with a lovely couple. Being 6 months, he has many years of fun ahead of him.

The rescue and trust wish to thank everyone that helps or donates time to help us move dogs. We are lucky to have a kennel if we get emergencies. Most situations, many people want things done immediately and come into the rescue as soon as they can. Paperwork and checks need to be completed prior to this. We also ask people to contact the breeder of the dogs to give an option of rehoming.

Years ago, we got two bitches into rescue. Phone call late at night and on our doorstep at 9am. Beautiful girls. They were supposed to be incontinent but didn't show and signs of this. I talked to a friend about them and she passed on details. The lady came down to visit, with the possibility of rehoming a girl. She fell in love with them and took both. They have the best life and have never shown signs of incontinence.

When a pet is transferred through rescue, we stay in touch with the owners past and present. We get regular updates and they are passed on to the previous home. This helps a lot with closure.

As always, our club is there for advice and support for dogs needing rescue.

Please support us.

NOVEMBER OPEN SHOW

The Committee are looking forward to welcoming you all to our open show on Saturday 12th November at Stoneyburn Community Education Centre and we hope to see you there. Let me introduce you to our judge:-

Martyn Rees Tyndale

I began showing dogs in the early 1990s, originally with Rottweilers, two of whom attained their Stud Book Numbers. In 1994 my parents purchased a Flatcoated Retriever whom I showed for them. He became a full champion with 3 CCs and 6 RCCs. My two subsequent Flatcoats also attained their Stud Book Numbers - the latter one with 3 RCCs. I also co-own a GSD who won 1 CC and 3 RCCs. I do not show dogs now, however I own a working bred Golden Retriever with whom I hope to compete in Field Trials. She is my second Golden. My first Golden was an excellent working bitch and I enjoyed many seasons picking up with her alongside my Flatcoats. Thus I am a firm believer in "form follows function" when I judge.

I commenced my judging career in the late 1990s and am now passed to award CCs in 11 breeds and the Gundog Group. I judge all other gundog breeds at open show level and have passed many A3 Assessments. I consider every appointment a great honour and privilege and I enjoy the opportunity of assessing dogs.

In addition to the breeds that I am passed to award CCs in I am on either an A3, B or C list for the majority of all other gundog breeds. I also enjoy attending breed seminars thus furthering my education. I am particularly interested in the minor gundog breeds and attend as many of their club events as I can.

I am hugely honoured to have received this invitation and am greatly looking forward to judging the breed in Scotland.
